Hi Dan,

Thank you for the opportunity to review the draft registration terms for Tavium. There are several points that we have made proposed edits that we are submitting for the Agency's consideration. I have included a clean and highlighted pdf version and word versions. Please feel free to contact me at anytime tomorrow or Monday if we can provide any additional information.

Thanks and with best regards,

Monty

Hi Monty, please see the attached file. This file contains the draft registration terms for Tavium. Please review the terms and send us your concurrence as soon as you are able to. Please note that we may need to enter more specific information to indicate the passing results for some of the protocols that appear in the appendices. If there's anything you'd like to discuss, please let us know.

Thanks,
Dan
